PROGRAM PHILOSOPHY

The **Wey Care Extended Day Program** is a safe, affordable, flexible, and accessible before and after school program offered by the Weymouth Public Schools. Weymouth's Wey Care Program provides a caring and nurturing environment for primary and middle school age children. Program sites are located in each of Weymouth's primary schools and Abigail Adams Middle School.

The goals of the program are to foster initiative and independence, cooperation and self-control, choice and the assumption of responsibility. While permitting freedom within set limits, the program encourages creativity, and provides activities that accommodate these needs while respecting cultural diversity.

(The Wey Care Program includes a vacation component covering February, April, and eight weeks of summer that requires a separate application. Vacation programs are available to primary school children only.)

Program Sites: Academy Avenue, Adams Middle School, Hamilton, Johnson, Murphy, Nash, Pingree, Seach, Talbot, and Wessagusset.

Program Hours

Before School: 7:00 A.M. until school opening
After School: School closing until 6:00 P.M.
