## Subscribe

We have implemented a way of keeping our residents informed of events and meetings that are occurring in the town. Whenever a new event or document is posted to the Web site you have an opportunity to receive a copy of that posting in your personal EMail box, automatically. It won't be necessary to visit the Web site, although we encourage you to do so, since not all folders will be subscribable. And if you decide that you no longer want to receive notices automatically, you can use the following form to remove your name from the list.

### How to Subscribe:
