The Weymouth School Committee policy addressing bus service for Weymouth students is below:

- Free transportation will be provided to all students in grades kindergarten through six who live more than two miles from their district school.
- There is no free transportation for students in grades seven through twelve.
- Students who are not eligible for free transportation will be offered the Pay Rider Transportation Program if sufficient space remains.

Application for the Pay Rider Transportation Program does not guarantee your child a seat, as space is limited. However, every effort will be made to accommodate applications submitted by the deadline.

If the fee for the Pay Rider Transportation Program presents a hardship to your family, a waiver of the fee may be applied for through the school principal by written request accompanied by documentation of annual income.
