The Weymouth School Committee policy addressing bus service for Weymouth students is below:

- Free transportation will be provided to all students in grades kindergarten through six who live more than two miles from their district school.
- There is no free transportation for students in grades seven through twelve.
- Students who are not eligible for free transportation will be offered the Pay Rider Transportation Program if sufficient space remains.

**Application for the Pay Rider Transportation Program does not guarantee your child a seat, as space is limited. However, every effort will be made to accommodate applications submitted by the deadline.**

If the fee for the Pay Rider Transportation Program presents a hardship to your family, a waiver of the fee may be applied for through the school principal by written request accompanied by documentation of annual income.
