

## Current Policy

File: KF-R

13. Refreshments may be served and consumed in designated areas approved in advance by the building Principal. Refreshments are never allowed in the gymnasium or auditorium. If the serving of refreshments results in extra custodial cleaning time, the renter will be billed accordingly. Failure to abide by these restrictions could result in the loss of the privilege to rent the facility.

The concession stand at the high school field is operated under the jurisdiction of the culinary arts department of Weymouth High School. In the event the culinary arts department is unable to provide services at the stand, a nominal fee for custodial/security services will be charged for use of the stand.

## Proposed Policy

File: KF-R

13. Refreshments may be served and consumed in designated areas approved in advance by the building Principal. Refreshments are never allowed in the gymnasium or auditorium. If the serving of refreshments results in extra custodial cleaning time, the renter will be billed accordingly. Failure to abide by these restrictions could result in the loss of the privilege to rent the facility.

The concession stand at the Weymouth High School athletic field may be reserved for use by school groups and outside groups authorized by the Superintendent. For outside groups (such as boosters, parent organizations, fund-raisers, etc.) a nominal fee for custodial/security services may be charged for use of the stand. Concession stand approval will generally be authorized for groups related to the primary activity taking place (i.e. athletics, band/music concert, fundraiser, etc.). Authorized groups using the concession stand agree that equipment and supplies belonging to the culinary arts department will not be used without permission and supervision. Authorized groups will be allowed to access electricity and water inside the concession stand.
