2010-2011

Dear Parent/Guardian:

Your WHS Senior Student is submitting an essay for the Bob's Muffin Scholarship Essay Scholarship on the topic of "The Benefits of Community Service".

These essays are moving and offer words of advice and heartfelt reasons as to why community service is beneficial. We are in the process of promoting community service throughout the Weymouth Public School district. I would like to receive permission to use various quotes/excerpts from the essays of these submissions. They would be used in a variety of ways including the Weymouth Pride Newsletter, WPS School-Partnership promotions, WPS website, Community Service Resource Fair and in various other ways as appropriate.

Please fill out the form below indicating your permission and return it to me as soon as possible. Thank you!

Sincerely,

Betsy Harris  
Community Relations Liaison
