Your user name is the same as you use for the computer and email. All passwords start with a 7. All passwords are a six digit number. Family logins have been emailed to each parent/guardian. If you did not receive one or are having any problems with it, please

email: x2whs@weymouthschools.org

After log-if you get this window:

Click "No". If your log-in is successful it will look like this:

Check under "Page Directory" to see what pages are available for you.
