Registration for parking at W.H.S. for the 2018-2019 school year will begin in September 2018. ***Only students with a valid parking permit are allowed to park on school grounds. Illegally parked vehicles or vehicles without a permit sticker may be towed at the owner/operator's expense.***

*The purchase of a parking tag allows students to park their vehicles on school property as long as they follow school regulations and adhere to the driving rules and common courtesy. The speed limit on campus is 5 mph. **The school buses take priority when exiting campus at dismissal. It is expected that all student drivers follow the traffic rules and expectations in the parking lot.** Students must park only in the designated student lots. Students parking illegally on campus may face disciplinary consequences. Any personalization of vehicles must not contain any offensive language or symbols. No refunds will be given due to loss of parking for discipline. If the fee for the parking permit presents a hardship to an individual family, a payment plan may be applied for through the school principal by a written request. Transfer of sticker is not allowed for any reason. The parking permit sticker must be on the assigned vehicle in order to park on school grounds. All vehicles are subject to search at any time.*
