Educational Excellence for Every Weymouth Student

Mission, Vision, Theory of Action and Strategic Levers

MISSION: The Weymouth Public Schools create a supportive learning community that results in high achieving lifelong learners who actively contribute to society.

VISION: Educational excellence for every Weymouth student: Students graduate from Weymouth Public Schools with the academic knowledge, social and emotional skills, and growth mindsets necessary to succeed in college and career and are prepared to tackle and solve the most important problems in our local and global community.

THEORY OF ACTION

IF we increase collaborative problem solving among all educators; use data as part of an aligned system of curriculum, accountability and inquiry; and engage parents and community members as partners, **THEN** we will elevate instructional practice across all schools, better personalize instruction and supports for students; and produce students that meet high standards and are prepared to succeed in college and career.

STRATEGIC LEVERS

PROFESSIONAL LEARNING FOCUSED ON THE INSTRUCTIONAL CORE: Provide professional learning and opportunities for collaboration that improve educator practice by focusing on the instructional core.

EFFECTIVE USE OF DATA: Implement aligned system of curriculum, accountability and inquiry that uses multiple sources of data.

PARENT AND COMMUNITY ENGAGEMENT: Engage and partner with parents and community members in supporting excellence in academic skills, knowledge and mindsets.

WEYMOUTH PUBLIC SCHOOLS DISTRICT GOALS:

- Improve student growth and achievement for all students
- Engage in collaborative, data-informed problem solving with colleagues
- Create safe and positive learning environments for all students, staff and families
- Establish meaningful family and community partnerships
