ARTICLE XXIV – DRUG/ALCOHOL TESTING

Where the School Department has reasonable suspicion to believe that:

- (a) Pending State Law, an employee is being affected by the use of alcohol or marijuana
- (b) an employee is being affected by the use of alcohol;
- (c) had abused prescribed drugs; or
- (d) has used illegal drugs

The School Department shall have the right to require that the employee submit to alcohol or drug testing as set forth in this agreement. The foregoing shall not limit the right of the School Department to conduct any testing it may deem appropriate for persons seeking employment in the School Department prior to the date of hire.

Order to submit to testing:

Within forty-eight (48) hours of the time the employee is ordered to test as authorized by this agreement, the School Department shall provide the employee with a written notice, setting forth the facts and inferences which form the basis of the order to test. Refusal to submit to such test may subject the employee to discipline but not greater than if he failed the test, but the employee's taking of the test has not be construed as a waiver of any objection or rights that he or she may possess.

Tests to be Conducted:

In conducting the testing authorized by this agreement, the School Department shall:

- A. Use only a clinical laboratory, which is certified by the Commonwealth of Massachusetts to perform drug and/or alcohol testing.
- B. Establish a chain of custody procedure for both the sample collection and testing that will ensure the integrity of the identity of each sample and test result. No part of the collection and testing procedures shall be performed by a School Department employee.
- C. Collect a sufficient sample of the same bodily fluid or material (for example, hair samples) from an employee to allow for initial screening, a confirmatory test, and a sufficient amount to be set aside and reserved for laser testing if requested by the employee.
- D. Collect sample in such a manner to preserve the individual employee's right to privacy while insuring a high degree of security for the sample and its freedom from adulteration.
- E. Confirm any sample that tests positive in initial screening for drugs by testing the second portion of the same sample by gas chromatography/mass spectrometry (GC/MS) or an equivalent or better scientifically-accurate and accepted method that provides quantitative data about the detecting drug or drug metabolites.
- F. Provide the employee tested with an opportunity to have the additional sample tested by a clinical laboratory of the employee's choosing at the School Department's own expense; provided the employee notifies the School Department within seventy-two (72) hours of receiving the results of the test.
- G. Require that the laboratory report to the School Department that blood or urine sample is positive only if the initial screening and confirmation test are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the School Department inconsistent with understanding expressed herein (e.g., billings for testing that reveal the nature or number of tests administered), the School Department will not use such information in any manner or form adverse to the employee's interests.
- H. Require that with regard to alcohol testing, for the purpose of determining whether the employee is under the influence of alcohol, test results showing alcohol concentration of .04 or more based on the grams of alcohol per 100 millimeters of blood shall be considered positive. In the event that the alcohol concentration is below .04, no record will be kept.

- I. Provide each employee tested with a copy of all information and reports received by the School Department, upon receipt by the School Department, in connection with the testing and the results.

Treatment/Discipline:

- A. If an employee tests positive for alcohol as defined above, the employee shall receive treatment from a treatment facility chosen and paid for by the School Department or he/she may choose to utilize his/her own health insurance. The employee may also access the Family Medical Leave Act or accumulated sick leave for this purpose. The employee will be subject to random alcohol testing for twenty-four (24) months but not more than once per month during that period. The employee must provide certification of successful completion of the treatment program.
- B. If an employee tests positive for drugs, the employee shall receive treatment from a treatment facility chosen and paid for by the School Department or he/she may choose to utilize from his/her own health insurance. The employee may also access the Family Medical Leave Act or accumulated sick leave for this purpose. The employee will be disciplined but said discipline shall not include dismissal. The employee will be subject to random drug testing for twenty-four (24) months but not more than once per month during that period.
- C. A second positive test for either alcohol or drugs within three (3) years of the first will result in dismissal. After three (3) years, an employee who tests positive for either drugs or alcohol will be treated as set forth above.
- D. Refusal to receive treatment as stated above will subject the employee to disciplinary action but not greater than if he/she had failed the test.
- E. The entire process will be confidential and any action taken pursuant to this policy may be subject to the grievance and arbitration provisions of this Agreement.

The School Committee agrees to have those administrators who will be enforcing this policy trained to determine if "reasonable suspicion" exists.

ARTICLE XXV – NEGOTIATION PROCEDURES

Section I. No later than March 1 of the calendar year in which this Agreement expires, the Committee agrees to enter into negotiations with the Union in a good faith effort to reach a successor Agreement.

Section II. During negotiations the Employer and the Union will present relevant data, exchange points of view and make proposals. Either party may, if so desired, utilize the services of outside consultants and may call upon professional and a representative(s) to assist in negotiations.

Section III. Both parties agree that for the express term of this Agreement they will be bound by the past practice and precedents in working conditions of employees covered by this Agreement unless specifically modified or revised in this Agreement.

Employees covered by this agreement, who are assigned to and work the night shifts (any shift that starts after 1430 hours) shall be paid a differential of **\$8.00** per day for each day so worked. This differential shall be in addition to their regular base pay and shall not be used for the purpose of salary computation including but not limited to overtime rates, vacation pay, sick leave or holiday allowance.
3. Employees covered by this Agreement who, on their normal workday, are assigned to snowplowing or sanding for three or more hours prior to or after their regular workday, or (6) six hours or more, on weekends shall receive **\$15.00** meal allowance. On a day other than their normal workday, such employees who are assigned to “Night Patrol Duty” be granted the same number of holidays set forth in Article VII, “Paid Holidays” under the same terms and conditions as other employees covered by this Agreement. In no event shall any of the employees assigned to “Night Patrol Duty” be any greater number of holidays than those granted to other employees covered by this Agreement.
4. The School Department will establish a listing of all employees according to original date of employment.
5. The Committee shall not discipline, suspend or discharge an employee covered by this Agreement “without just cause.”
6. Time off without loss of wages, benefits or other privileges may be granted to Union negotiating committee members for attendance at negotiating sessions and caucuses.
7. The Committee shall make every effort to have all benefit leave time (vacation, sick and personal) and overtime hours worked on the employees’ pay checks.

8. Joint Labor Management Committee (JLMC) - Both parties recognize the value of sharing, discussing and providing opportunities for resolving problems. Therefore, a Joint Labor Management Committee will be established consisting of two (2) members of the bargaining unit designated by the Union and two (2) representatives of Management designated by the School Committee. The JLMC shall meet on request of either party and will discuss issues outlined in this contract and all matters of mutual concern to both parties, including but not limited to, job descriptions, requests for reclassification or upgrade of bargaining unit positions.

ARTICLE XXVIII – DIGNITY AND RESPECT

At all times, management and the employees shall act in such a manner as to assure the proper dignity and respect to each other. This article shall not be subject to the arbitration clause (Article XIV) of this Agreement.

ARTICLE XXIX – DURATION

This Agreement shall be effective as of **July 1st, 2023** except as otherwise noted herein, and shall continue in all its terms and conditions to and including **June 30, 2026** and shall continue year to year thereafter, unless and until either party hereto shall give notice to the other party on or before **June 1, 2026** that it wishes to terminate the Agreement as of **June 30, 2026** or to amend or change the provisions thereof. In the event that this Agreement is not terminated pursuant to the provision hereof, but a request has been made to modify, change or amend any of its provisions, then this Agreement shall continue in full force and effect until agreement has been reached on any changes, modifications or amendments.
