### Floating Custodian Change of Shift

Concerning the temporary change of shift and building assignments for the Floating Custodian position. Immediately below is the current wording of Custodians Contract July 1, 2020- June 30, 2023.

Article V- Work Schedule, paragraph F.

F. The position of Floating Custodian shall be assigned to the 2:30 PM to 11:00 PM shift only. The Floating Custodian shall be assigned his/her duties each day by the Administration of the School District. The person assigned as the Floating Custodian shall be eligible only for system-wide overtime opportunities. The Floating Custodian shall not be assigned to the shift of a regular custodian on the 2:30 PM to 11:00 PM shift if said custodian reports to work for that shift.

Below is the wording of the temporary change of the Floating Custodian position. This change agreed upon by both parties will temporarily be in effect from April 26, 2021- June 30, 2021. The changes will be bold.

F. **The position of Floating Custodian shall be assigned to the 10:00 AM- 6:30 PM shift only. The Floating Custodian shall be assigned to the High School. If the workload or need is required in other school buildings in the district, the administration may assign him/her to another school building in the district. The Floating Custodian shall not be assigned to cover any other shift of a regular custodian if the said custodian reports to work for that shift. The Floating Custodian shall not be assigned to cover a Head Custodians position in the event that head custodian is absent. The person assigned as the Floating Custodian shall be eligible only for system-wide overtime opportunities.**
