Customer's Comments... *"I can't rave enough about the amazing ladies at Hair Essentials!! I first found them when I was getting married. My original hair stylist from a different salon in town disappeared without warning ...I started calling other places, including Hair Essentials and spoke with Christine. She invited me to set up an appointment, meet her incredible stylist, and set me and my girls up for my big day. She went above and beyond the call of duty for a complete stranger... She made sure there were enough staff for my wedding party, and completely put me at ease... not to mention everyone looked fabulous! Do not look any further!!" ~ cpukt531*
