GROUP CANCELLATION AND REFUND POLICY FOR 2017-2018

Thank you for considering Jumpstreet Tours for your trip. To date, nearly 175,000 students have travelled with Jumpstreet to destinations in North America, Europe, and Central America.

Many schools and parents feel comfortable approving our trips because our deposit and group cancellation policy significantly reduces financial risk associated with approving school trips. We are very flexible with deposit dates, and we're committed to having the best cancellation policy in the business. As your contract explains (please refer to your invoice for this), the following will apply in the event that your group cancels the trip:

If cancelled 61 days or more before departure date:

100% reimbursed (minus your trip deposit)*

If cancelled between 60 and 39 days prior to departure date:

75% reimbursed (minus your trip deposit)*

If cancelled between 38 and 15 days prior to departure date:

50% reimbursed (minus your trip deposit)*

If cancelled 14 days prior to departure date:

No reimbursement is possible

*Please note that unrecoverable payments made to suppliers may be added to cancellation fees in the case of group cancellation. This includes payment processing fees for online payments.

Extenuating circumstances will be taken into consideration and all efforts will be made to reschedule your trip (if desired) and to minimize your costs in case you cancel your group's trip.

Please keep in mind that this policy covers trip cancellation by the entire group. Individuals may purchase cancellation insurance to cover their individual trip payment. Jumpstreet also offers a refund guarantee program (RGP) that provides a full refund if an individual cancels for any reason. As with cancellation insurance, there is a fee for this and it is sold to students individually and only at the time of initial deposit.

I hope that this helps your school to make a decision to plan a trip.

Sincerely,

Tom Clarke
Director of Finance, Jumpstreet Educational Tours
