During a televised public meeting members of the WSC and employees of the School Dept. made comments which were extremely critical of the Athletic Director ,kevin P Mackin. Mr. Mackin was not mentioned by name but since he has been the A.d. for years , the adverse comments were obviously directed at him. The comments were derogatory and inaccurate and a violation of the OML since the agenda gave no hint that the performance of the A.d. was to be discussed in open session and without prior notice to Mr. Mackin who I am proud to say is my son.Mr. Mackin has been on sick leave since August 2018..

What action do you want the public body to take in response to your complaint?

Note: This text field has a maximum of 500 characters.

Mr. Mackin should be given the opportunity to rebut the slanders at a televised open public meeting of the WSC held at the same time of day so the same audience will learn his response. (2) The WSC and staff must be required to attend training to become aware of the terms of the OML. the
