NOW, THEREFORE, in consideration of mutual covenants and promises and subject to the ratification of the respective parties, it is agreed as follows:

ARTICLE I

RECOGNITION CLAUSE

For the purpose of collective bargaining with respect to wages, hours, standards of productivity and performance, other conditions of employment and the negotiation of collective bargaining agreements and any questions arising thereunder, in accordance with Chapter 150E of the General Laws of the Commonwealth of Massachusetts, the Committee recognizes the Association as the sole and exclusive bargaining agent and representative of the following professional Board Certified Behavior Analysts (BCBA's) of the Committee:

All Weymouth Public Schools BCBA's hired into the Board Certified Behavior Analyst position.

ARTICLE II

COMMITTEE'S RIGHTS CLAUSE

The Committee is a public body established under and with powers provided by the statutes of the Commonwealth of Massachusetts and nothing in this Agreement shall be deemed to derogate from the powers and responsibilities of the Committee under said statutes of the Commonwealth or the rules and regulations of agencies of the Commonwealth.

The Committee retains those rights, powers and duties it now has, may be granted or have conferred upon it by law unless modified or changed by a specific written provision of this Agreement.

An arbitrator (or Board of Arbitration) shall have no power to render a decision, nor substitute its judgment for that of the Committee in those areas reserved for the discretion of the Committee by this Agreement, and said arbitrator (or Board of Arbitration) shall have power to render a decision only on an interpretation or application of one of the specifically expressed provisions of this Agreement.

ARTICLE III

NO STRIKE CLAUSE

During the term of this Agreement the Association shall not engage in, induce, or encourage any strike, work stoppage, slowdown or withholding of services.

ARTICLE IV

GRIEVANCE PROCEDURE

A. DEFINITION: For the purpose of this Agreement, a grievance will be defined as a dispute between a member of the bargaining unit covered by this Agreement or the Association and the Committee over the interpretation, meaning, or application of the provisions of this Agreement or any alleged inequitable or discriminatory treatment of a BCBA under the provisions of this Agreement.

B. PROCEDURE: Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. During the months when the school is in summer recess, school days shall mean business days Monday through Friday.

1. Level One - A BCBA covered by this Agreement who has a grievance shall discuss it with their immediate superior either personally or through Association representation within fifteen (15) school days* from the date on which the incident giving rise to the grievance has occurred or when the BCBA has knowledge of such incident.
2. Level Two - If the grievant is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered within ten (10) school days after presentation of the grievance, said grievant and/or the Association may within ten (10) school days appeal to the Superintendent or their designee. Such appeal shall be in writing setting forth the details of the grievance, the applicable provisions of this Agreement, and the decision, if any, rendered in Level One.

Within ten (10) school days after submission of the written appeal to the Superintendent, or their designee, by the grievant and/or the Association, the Superintendent, or their designee, shall confer with the grievant. If the grievant is not represented by the Association, the Superintendent, or their designee, shall advise the representatives of the Association that an appeal has been made and the date and time of the conference. The Superintendent will make available the written appeal to the Association representative. The Association representative shall, at the Association's request, be present at the conference to state the views of the Association. The Superintendent shall notify, in writing, both the grievant and the Association of the grievance decision within ten (10) school days after the conference between the grievant and the Superintendent.

3. Level Three - If the grievant is not satisfied with the decision of the Superintendent, or their designee, or if no written decision has been rendered within ten (10) school days next following said conference, the aggrieved BCBA and/or the Association may within ten (10) school days thereafter file a written appeal to the Committee setting forth therein the details of the grievance, the applicable provisions of the Agreement, and the decision, if any, rendered under Level Two. Within ten (10) school days or at the next Committee meeting, but in no event later than fifteen (15) school days after the submission of the written appeal, the Committee shall meet with the grievant and/or their representatives of the Association in an effort to settle the grievance.

(During July and August, the Committee shall meet in response to the written appeal within twenty (20) business days of the submission of the written appeal.)

The Committee shall, within ten (10) school days after the conclusion of said meeting advise the grievant and/or the Association, in writing, of its decision.

4. Level Four - If the Association is not satisfied with the disposition of the grievance at Level Three or if no written decision has been rendered within ten (10) school days after said meeting with the

Committee, the Association may within twenty (20) school days submit the grievance to arbitration, as hereafter provided.

5. Arbitration

- a. Within ten (10) school days after receipt of the submission to arbitration, the Committee and the Association will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve or will submit said grievance to an umpire previously selected by the parties. If the parties are unable to agree upon an arbitrator or to obtain a commitment within the specified period of time, the Committee and the Association will select an arbitrator based upon the principles found in Rule 12 of the American Arbitration Association. The parties shall determine by lot which of the parties shall strike the first name on the list received and the name remaining after each has eliminated two (2) shall be the arbitrator.
- b. The arbitrator selected shall confer with the representatives of the Committee and the Association and hold hearings promptly. Further, the arbitrator will render their award and the reasons therefore, in writing, not later than thirty (30) days from the close of the hearings or, if oral hearings have been waived, then from the date the final statement and briefs are submitted to him/her.
- c. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement or which exceeds the submission of the grievance to him/her. The decision of the arbitrator will be final and binding on all the parties to the arbitration.
- d. The cost of the services of the arbitrator, including per diem expenses, if any, actual and necessary travel expenses and subsistence expenses will be borne equally by the Committee and the Association.

ARTICLE V

 - D. Attendance at any meetings, workshops or courses that are conducted before or after the regular workday or work year is strictly voluntary with the exception of the meetings listed in Section A.2. Lack of attendance shall not be used in the evaluation of the work performance of any BCBA.

ARTICLE VI

EMPLOYMENT

- A.
 1. The initial salaries of experienced BCBA's new to the Weymouth System shall be set by the Superintendent of Schools. The Superintendent shall evaluate experience outside the Weymouth System in terms of type, length and quality of service and its relationship to the position to be filled in the Weymouth Schools. The BCBA will not be hired or assigned either at the time of initial employment or at any subsequent time, to a course outside the scope of their professional qualifications and/or DESE regulations.

Each BCBA will be given a copy of their schedule (i.e. buildings, District wide) upon leaving school in June and will be advised of any changes in their assignment before the opening of school. No changes will be made after the third week in August unless occasioned by unforeseen conditions not caused by the Weymouth School Committee.

In the event an assignment is changed, the involved BCBA shall be provided the opportunity to discuss their changed assignment with the administrator involved.

- C. The Committee and the Association agree that they shall not discriminate with regard to race, creed, color, religion, national origin, gender, marital status, sexual orientation, age, disability or gender identity.

ARTICLE VII

VACANCIES AND PROMOTIONS

- A. Whenever any vacancy in an administrative or supervisory position occurs during the school year (September to June), it will be adequately publicized by the Superintendent by means of a notice delivered to each school as far in advance as possible. During the months of July and August, written notice of any vacancy will be delivered to the Association. In both situations, the qualifications for the position and its duties will be set forth. No vacancy will be filled, except on a temporary basis, within thirty (30) days from the time that the notice is distributed to the school or notification is given to the Association.
- B. All qualified BCBAs will be given opportunity to make application for such positions, and the Superintendent agrees to give due weight to the professional background and attainments of all applicants, the length of time each has been in the school system, the quality of performance and other personal and professional factors relevant to the position. Appointments normally will be made not later than sixty (60) days after the closing date for application.
- C. Appointments will be made without regard to race, creed, color, religion, national origin, gender, age, sexual orientation, marital status, disability, or gender identity.

DUES DEDUCTION

- A. So long as it remains unconstitutional, all provisions in this Article related to Agency Service Fee shall be null and void. The Committee agrees to deduct from the salaries of its BCBAs, dues for the Weymouth Educators' Association, the Norfolk County Teachers' Association, the Massachusetts Teachers' Association and the National Education Association and to transmit the monies promptly to the Association. There shall be twenty-one (21) substantially equal payments commencing in September. Thirty (30) days prior to the first deduction, the Association will provide the Committee with a list of those BCBAs who have voluntarily authorized the Committee to deduct dues for the organizations listed above. Teacher authorization shall be in writing in the form set.

"DUES AUTHORIZATION CARD"

ADDRESS.....

I hereby request and authorize the Weymouth School Committee to deduct from my earnings and transmit to the Weymouth Educators' Association the dues of: the Weymouth Educators' Association, the Norfolk County Teachers' Association, the Massachusetts Teachers' Association, and the National Education Association, in the amount sufficient to provide for the regular payment of the membership dues as certified by such Association in twenty-one (21) equal payments prior to June 30. I understand that the Committee will discontinue such deductions for any school year only if I notify the Committee in writing to do so not later than sixty (60) days prior to the commencement of the school year. I hereby waive all rights and claim for said monies so deducted and transmitted in accordance with this authorization, and relieve the School Committee and its officers from any liability therefore

- B. Each of the Associations named in Section A will notify and certify to the Committee in writing the current rate of its membership dues. Any Association which will change the rate of its membership dues will give the Committee thirty (30) days written notice prior to the effective date of such change. Dues deduction must be authorized by October 1. BCBA's authorizing deductions after September 1 will begin payroll deductions on the second check of October. The first three payments will be made to the Association directly by the individual BCBA; the remaining payments will be deducted.

- C. Any BCBA who is not a member of the Association in good standing shall as a condition of continued employment pay as an agency fee to the Association an amount equal to membership dues payable to the Association, the Massachusetts Teachers' Association and the National Education Association; provided, however, that the BCBA may authorize payroll deduction for such agency fee in the same manner as provided in Section A of this Article. Any BCBA hired subsequent to the execution of this Agreement who is not a member in good standing or who does not make application for membership in the Association within 30 days following commencement of employment, shall as a condition of continued employment pay said agency fee. In the event that a BCBA shall not pay such a fee directly to the Association, or authorize payment through payroll deductions, as provided in Section A, the Committee shall immediately cause the termination of employment of such BCBA. The parties expressly recognize that the failure of any BCBA to comply with the provisions of this Article is just and reasonable cause for discharge from employment.

ARTICLE IX

 - 2. One day's leave of absence will be granted without loss of pay for the funeral of grandparents, sister-in-law, brother-in-law, own uncle, own aunt, daughter-in-law or son-in-law, niece or nephew. Under this provision and Subsection 1 above, under exceptional circumstances, a BCBA may submit a written request to the Superintendent or their designee for consideration of additional days.

3. Two day's leave of absence will be granted by the Principal without loss of pay upon certification of the BCBA requesting such leave that personal business, which cannot reasonably be conducted when school is not in session, necessitates absence. This certificate will be countersigned by the immediate superior and forwarded to the Superintendent's office. Personal leave days will be granted without any requirement on the part of the BCBA to give a reason for taking said day. However, the Superintendent may grant additional days of personal leave upon specific request. BCBAs applying for such additional days must submit, in writing, the reason for the additional days.
 4. Requests should not be made for absences on days preceding or following school vacations. All BCBAs should be on duty on these days unless ill or absent because of a death in the family, or for personal business, the purpose for which has been stated to the Superintendent and which (s)he deems impossible to conduct at another time. For the purposes of this Article, school vacations shall mean the Thanksgiving, Winter, February, and Spring school vacation periods.

 8. The President may approve bargaining unit members to access some or all of the eight (8) days available to the Association under Article X, Temporary Leaves of Absence, Section A.8., of the Unit A Collective Bargaining Agreement.  9. A BCBA who is required by subpoena or other formal notification to attend a state or federal agency or court hearing arising from job related matters shall be released for the day without loss of pay or benefits. A BCBA who is required to attend a criminal court hearing involving criminal charges against the BCBA arising from job related matters shall be released for the day with pay at the discretion of the Superintendent. However, in the event the BCBA is fully exonerated of the charges against him/her (that is, found not guilty, a court dismisses the charges, the district attorney's office files nolle pro sequi, or no criminal complaint is issued) he/she shall be made whole for the day.
 10. BCBAs will be permitted to be absent from their assignments, with pay, for the purpose of observing a religious holy day which occurs while school is in session. BCBAs shall notify their building principal in writing seventy-two (72) hours in advance of the religious holy day.

The Committee agrees that one (1) BCBA designated by the Association will, upon request, be granted a leave of absence for no less than one (1) year and no more than two (2) years without pay or with pay reimbursed for the purpose of serving in an Association's national or state elective constitutional office. Upon return from such leave, a BCBA will be considered as if (s)he was actually employed by the Committee during the leave and will be placed on the Salary Schedule at the level (s)he would have achieved if (s)he had not been absent.
- B. A leave of absence, without pay, of up to two (2) years will be granted up to three (3) BCBA's per school for the purpose of serving as a BCBA in an exchange system approved by the Superintendent, and provided further said BCBA is a full-time participant in either of the afore-described programs. Upon return from such leave, a BCBA will be considered as if (s)he was actively employed by the Committee during the leave and will be placed on the Salary Schedule at the level (s)he would have achieved if (s)he had not been absent on said leave.

A leave taken pursuant to this section shall commence only at the commencement of a school year; and a BCBA returning to the school system shall return only at the commencement of the school year. The Superintendent may waive these restrictions aforementioned. It is agreed that if a BCBA who takes a leave of absence pursuant to this section does not return at the end of two years, said BCBA shall be presumed to have resigned from the Weymouth School System.

- C. Military leave will be granted to any BCBA who is inducted or enlists to satisfy induction requirements in any branch of the armed forces of the United States. Upon return from such leave, a BCBA will be placed on the Salary Schedule at the level which (s)he would have achieved had (s)he remained actively employed in the system during the period of their absence up to a maximum of three (3) years.
- D.
 - 1. Subsequent to the third month following the initial date of entry into employment, a BCBA who so requests it shall be granted a leave without pay for reasons of childrearing.  - 2. Said BCBA shall be entitled to the provisions of Article XV of this Agreement for any period of physical disability due to the pregnancy and/or birth upon written certification of said physical disability by the BCBA's attending physician.
 - 3. Said BCBA shall, as soon as practical, submit a medical certificate from the attending physician which shall include:
 - a. The last date on which the BCBA will be physically able to perform the normal duties of the position.
 - b. The anticipated delivery date.
 - 4. BCBA's shall be entitled to leaves without pay or increment for a cumulative period not exceeding three hundred and sixty-eight (368) work days for reasons of childrearing. Notice of intent to return from said leave must be given by April 1 of the year in which the BCBA intends to return and said return shall be at the beginning of the school year. In determining the placement on the salary schedule of a BCBA who returns from a childrearing leave, credit for a full year of teaching shall be given for the school year during which the leave began if the BCBA taught at least ninety-three (93) school days during said school year. A BCBA who has not taught at least this number of school days shall remain on the step on the Salary Schedule held prior to the commencement of the leave. The BCBA shall be restored as soon as practicable to the position held when the leave began or to a substantially equivalent position.
- E. A leave of absence without pay or increment of up to one (1) year will be granted for the purpose of caring for a sick member of the BCBA's immediate family, where such BCBA's personal attendance is required. Additional leave may be granted at the discretion of the Committee. (Immediate family for the purpose of

this Section shall mean mother, father, foster parent, stepmother, stepfather, brother, sister, stepsister, stepbrother, husband, wife, child, or foster child).

- I. Other leaves of absence without pay may be granted by the Committee.
- J. All benefits to which a BCBA was entitled at the time their leave of absence commenced will be restored to him/her upon their return, in accordance with relevant state and federal law and employer policies, and will be assigned to the same position which (s)he held at the time said leave commenced, or, if not, to a substantially equivalent position, if available.
- K. All requests for extensions or renewals of leaves will be applied for before April 1 of each school year, in writing and if granted, such extension or renewal will be in writing.
- L. In the event of a leave taken pursuant to this Article being granted to a BCBA during the course of a school year said BCBA will be granted and take the leave for the remaining portion of the school year and shall not return, at least until the commencement of the next school year unless said requirement is specifically waived by the Superintendent.
- M. A leave of absence without pay or increment of one (1) school year will be granted to any member for the purpose of exploring a career change. Application for such leave must be submitted on or before April 15 of the school year immediately preceding the September 1 effective date of such leave.
- N. It is the policy of the Town of Weymouth to grant up to 12 weeks of family and medical leave during any 12-month period to eligible BCBAs in accordance with the Family and Medical Leave Act of 1993 (FMLA). The leave may be paid, unpaid or a combination of paid/unpaid leave as authorized by the Weymouth School Department and in conformance with this collective bargaining agreement. In the event that a BCBA is granted the use of paid sick leave by the Weymouth School Department, upon exhausting all sick leave, the BCBA may seek similar authorization to use paid personal days. Upon exhausting personal days, any remaining days taken as FMLA would be unpaid. Use of accrued sick time, personal time, or both, during FMLA leave will run concurrently with FMLA.

The FMLA process can be initiated by either the BCBA or the employer. When the employer determines that a BCBA may qualify for FMLA leave, the employer will provide written notice to the BCBA of their rights and responsibilities under FMLA. Further information may be requested by the WPS Human Resources Department.

ARTICLE XII

2. Such leaves must be filed in writing on or before April 1 if they are to become effective in September of that year.
3. Action by the Committee shall be taken on such leaves by April 15 in the calendar year in which they are to become effective.
4. Such leaves shall be granted only to BCBA's who have served in the Weymouth School System for six (6) years or longer. A second or third such leave shall not be authorized unless and until one shall have re-established eligibility by serving another period of six (6) years.
5. BCBA's on sabbatical leave shall receive half pay.
6. A BCBA on sabbatical leave shall return to regular service in the Weymouth School System at the expiration of the leave for a period equal to twice the length of the leave.
7. A BCBA's Status and regular salary increments shall not be impaired by a sabbatical leave.

Following this 90-day period, no BCBA shall be dismissed during the work year without notification from the Superintendent, and an opportunity to meet to review this decision. Following three (3) consecutive years of service with the Weymouth Public Schools, BCBA's will attain Status. Those with Status shall have an expectation of employment in subsequent school years unless dismissed for just cause or subject to a reduction in force.

ARTICLE XIII

- A.
 1. All monitoring or observation of the work performance of a BCBA will be conducted openly and with the full knowledge of the BCBA.
 2. The use of the public address system or any other audio system shall be strictly prohibited as an evaluation device.
 3. BCBA's will be given a copy of any formal evaluation report prepared by their evaluators and will have the right to discuss such a report with their evaluators.
 4. The policy, procedure and instrument for the evaluation of all BCBA's covered by this Agreement are attached hereto as Appendix B.
- B.

A BCBA will be entitled to have an appropriate representative of the Association accompany him/her during such interview.
 2. No material derogatory to a BCBA's conduct, service, character or personality will be placed in their personnel file unless the BCBA has had an opportunity to review such material. The BCBA will acknowledge that (s)he has had the opportunity to review such material by affixing their signature to the copy to be filed with the express understanding that such signature in no way

indicates agreement with the contents thereof. The BCBA will also have the right to submit a written answer to such material and their answer shall be reviewed by the Superintendent and attached to the file copy.

- C. Any complaints regarding a BCBA which form the basis for an adverse entry in the personnel file made to any member of the administration by any parent, student or other person will be promptly called to the attention of the BCBA, and, if determined to be meritorious by the Superintendent, shall be placed in the BCBA's personnel file. The BCBA shall be allowed to place a statement which shall be attached to the complaint in their file and/or retains the right to challenge such judgment under Section D of this Article. In the event that the Superintendent is unable to determine that the complaint is meritorious, the complaint shall be placed, with the BCBA's statement if he/she so chooses, in a special file and may be accessed only if a similar complaint is made against the BCBA during the next three (3) years. If no similar complaint is made, at the end of said three (3) year period, any and all copies of any and all documents related to the matter in the special file shall be destroyed.
- D. No BCBA will be disciplined, reprimanded, reduced in compensation, suspended, discharged, or deprived of any rights or benefits provided for in this Agreement without just cause. It is agreed, however, that in matters involving the decision of the Superintendent not to re-employ a BCBA who has not obtained Status in the Weymouth Public Schools, such decision shall not be replaced by that of an arbitrator acting under the procedures cited in Article IV of this Agreement.
- E. All personnel files shall have an inventory sheet as their first page. Said inventory sheet shall list any and all material contained in the file and will list material as it is added. All material added to the file subsequent to the establishment of the inventory system shall be date and time stamped. The establishment of this inventory system shall be subject to funding by the Association. Thereafter, expenses for maintaining such inventory sheets shall be borne by the Committee.

The subcommittee will convene at least four times over the course of the 2021-2022 school year. If the subcommittee issues any non-binding recommendations to the parties that represent changes to the evaluation system, then either Party may request to negotiate regarding said recommendations.

ARTICLE XIV

PROFESSIONAL IMPROVEMENT

A. Certification and Supervision

As of the ratification date of this contract, all BCBA's employed by the District will be required to have or obtain initial BACB Supervisor certification by September 1, 2021 or within three (3) months of the date of hire; the Weymouth School Committee will reimburse BCBA's for the cost of obtaining their initial 8-hour BACB Supervisor certification and compensated at their hourly rate for attending the course if outside of work hours. The courses submitted for evaluation must have been taken in the twelve (12) years immediately preceding the submission of these courses for evaluation by TEPS.

C. Course Reimbursement

In an effort to encourage and support the professional development of the educators of the Weymouth Public Schools, the Committee agrees to reimburse BCBA's for the costs associated with taking graduate-level courses at accredited colleges or universities. APPENDIX B.1

BCBA EVALUATION: SPECIALIZED INSTRUCTIONAL SUPPORT PERSONNEL (SISP) RUBRIC

A. SISP Overview: This DESE rubric describes practice that is common across educators in professional support roles, including BCBAs. It is intended to be used throughout the 5-step evaluation cycle for educators who provide direct services such as education, therapy, counseling, assessment, and diagnosis to a caseload of students, as well as educators who may provide indirect support to students through consultation to and collaboration with teachers, administrators, and other colleagues. By the end of the evaluation cycle, BCBAs and evaluators are expected to have gathered and shared a reasonable amount of evidence on every indicator to support a rating for each standard.

To better align the SISP rubric with the specialized role of the BCBA, the District, evaluator and BCBA acknowledge:

- That BCBAs do not create traditional lesson and unit plans as classroom teachers do. Therefore, in Section 1.A.4 of the SISP rubric (“Well Structured Lessons”), the term “lessons” refers to behavior plans, behavior programs, and/or consultation sessions with staff/parents.
- That BCBAs work with teachers to develop and create learning environments. Therefore, in Section II-C-1 (“Respects Differences”) and II-C-2 (“Maintains Respectful Environment”) of the SISP rubric, it is understood that this work is done in collaboration with the classroom staff.
- Since Standard III does not usually pertain to BCBA primary functions, it is understood that the standard will be applied in a limited fashion commensurate with a BCBA’s work assignment.

1. Evaluation categories

Standard I: Curriculum, Planning, and Assessment. Promotes the learning and growth of all students by providing high-quality and coherent instruction, designing and administering authentic and meaningful student assessments, analyzing student performance and growth data, using this data to improve instruction, providing students with constructive feedback on an ongoing basis, and continuously refining learning objectives.

Standard II: Teaching All Students. Promotes the learning and growth of all students through instructional practices that establish high expectations, create a safe and effective classroom environment, and demonstrate cultural proficiency.

Standard III: Family and Community Engagement. Promotes the learning and growth of all students through effective partnerships with families, caregivers, community members, and organizations.

Standard IV: Professional Culture. Promotes the learning and growth of all students through ethical, culturally proficient, skilled, and collaborative practice.

B. Definitions:

Descriptors: Performance descriptors are observable and measurable statements of educator actions and behaviors aligned to each element and serve as the basis for identifying the level of teaching or administrative performance in one of four categories: Unsatisfactory, Needs Improvement, Proficient, or Exemplary.

Elements: The elements are more specific descriptions of actions and behaviors related to each Indicator. The elements further break down the Indicators into more specific aspects of educator practice and provide an opportunity for evaluators to offer detailed feedback that serves as a roadmap for improvement.

Indicators: Indicators, also detailed in the regulations, describe specific knowledge, skills, and performance for each Standard. For example, there are three Indicators in Standard I of the SISP rubric: Curriculum and Planning; Assessment; and Analysis.

Plan: "Plan" is used throughout this document to refer to a variety of plans, including but not limited to: lesson plans, unit plans, Individualized Education Programs (IEPs), Individualized Health Care Plans (IHCPs), Career Plans, and 504 Plans. The type of plan that an educator is responsible for depends on the educator being evaluated; both the educator and evaluator should understand and agree upon the definition relevant to the educator's role.

Standards: Standards are the broad categories of knowledge, skills, and performance of effective practice detailed in the regulations. There are four Standards for teachers: Curriculum, Planning, and Assessment; Teaching All Students; Family and Community Engagement; and Professional Culture.

C. Evaluation Cycle

1. Designated evaluator(s) shall be Administrators. By October 15 of each school year, the BCBA shall be told who the evaluator(s) will be. If it is necessary to change the evaluator(s) during the course of the school year, the BCBA shall be promptly notified of said change.
2. For CBAs in their first three (3) years of employment with Weymouth Public Schools, a formative evaluation shall be issued no later than January 15, and a summative evaluation shall be issued no later than June 1. For CBAs with Status, the evaluation cycle shall last two (2) years. A formative evaluation shall be issued no later than June 1 of the first year of the two-year plan. A summative evaluation shall be issued no later than June 1 of the second year of the two-year plan.
3. CBAs covered by this agreement shall be observed at least once per year. This observation shall be unannounced.
4. CBAs covered by this agreement shall not be evaluated by Unit A or Unit D.
