

WHS Athletic Fee Reduction Form

Students who wish to participate in the Interscholastic Athletic Program at Weymouth High School shall be required to pay an Athletic Participation Fee. Fees collected in this manner are designed to help defray the operational costs of the Weymouth Public Schools Athletic budget and to increase the overall quality of extracurricular experiences for all student athletes. All Weymouth High School families who receive Free and Reduced Lunch are automatically provided with a 50% fee reduction for each of the seasons in which they participate. **Any family experiencing a unique financial hardship, with or without Free and Reduced Lunch status, may apply in writing, using this form, to the high school principal to be eligible for an athletic fee reduction. Please use one form per child and return to the principal's office.**

Student Name _____ Grade _____ Sport _____

Is this the first time you are going out for the sport you listed above? Y or N

Financial Hardship request: Any family with a financial hardship may disclose their situation in the text box below for consideration for a reduced fee. Families who have free or reduced lunch status and the automatic 50% fee reduction is still a hardship may also disclose their situation in the text box below.
